Policy for Divyangjan Friendly  
Environment

## Policy for Divyangjan Friendly Environment

### **Introduction:**

Vivekanand College, Kolhapur (Autonomous) has always been insistent regarding making it an all-inclusive campus. We make it a priority that every element in the college feels included and considered. The college has decided upon a policy for physically challenged, differently abled or students with disabilities 'Divyangjan'. With this policy, we commit to providing support services for students with disabilities and ensure them with equal and inclusive access to all curricular and co-curricular activities on the campus.

### **Objectives of the policy:**

1. To provide equal opportunity to all the students on the campus and not to discriminate on the basis of disability.
2. To create an all-inclusive environment where the dignity of the Divyangjan students can be maintained.
3. To give them an opportunity for overall development.
4. To create confidence about a safe and prosperous future among the Divyangjan students.
5. To set in function a disciplined and sympathetic mechanism for dealing with the special needs of the Divyangjan.

### **The Policy:**

1. There will be a committee which will act as nodal agency and work for various problems of Disabled students. It will offer assistance in administrative and document keeping tasks like filling forms, submitting fees etc.
2. Disabled students will never be made to stand in queue for such administrative purposes.
3. College will be in favour of making the College premise disabled friendly through infrastructural arrangements like wheelchair, ramps, separate washrooms and elevators etc.
4. Teaching faculty will assist such students if they approach for extra coaching or assistance.

5. Administrators, teaching and non-teaching faculty of the college will always be helpful towards such students. The gate keeper will assist students with disabilities in terms of campus orientation etc.
6. College will provide all government reservations to disabled students.
7. Students with disabilities will be encouraged to register with the Divyangjan Committee along with appropriate documentary proof of the disability.
8. The committee will provide them reasonable and effective assistance in academic, financial and documentary matters.
9. Assistance regarding different forms of educational resources, special technology for the disabled (like digital readers, braille soft wares etc.), extended period during examination, help for taking notes, preferred sitting arrangements in the classroom or exam-hall, interpreters, scribe, helper with the wheelchair etc. will be provided to these students.
10. Periodic assessments will be conducted and needed extra-guidance will be provided with a Mentor/counsellor teacher specifically allotted.
11. Disability-related information about students is regarded as confidential. With the student's permission, this information will only be disclosed to pertinent college staff members who have a need to know.
12. Students can submit a grievance with the Divyangjan Committee if they feel they have been discriminated against because of their disability or have not been granted the proper accommodations. All complaints will be looked into and addressed by the college right away.

The institution hopes to promote an inclusive and accessible campus community that promotes the academic and personal success of students with disabilities by adhering to this policy.

आमची ज्ञान प्रबोधन भवन संचलित अंधशाळा ही दक्षिण महाराष्ट्रातील एकमेव सेवाभावी संस्था असून सन १९८७ संस्था अंधांचे शिक्षण, पुनर्वसन करत असून अशा या संस्थेत ७० अंध मुले-मुली मोफत शिक्षण, निवास, भोजन, आरोग्य सुविधांचा लाभ घेत आहेत. ही संस्था करत असलेल्या संगोपन शिक्षण सुसंस्कार व पुनर्वसन कार्यात मदत व्हावी म्हणून आपण या संस्थेस रूपये (अक्षरी रु. दोन हजार पन्नास, शुद्ध फक्त) रोख / जेवण नोंद / वस्तुरूप देवून उपकृत केल्याबद्दल संस्था आपली आभारी आहे. भविष्यकाळातही आपण स्वतः असे सहकार्य करत रहाल शिवाय आपले मित्र, सहकारी नातलग इत्यादींनीही अशा प्रकारचे सहाय्य करण्यास प्रवृत्त कराल अशी आशा आहे.

**Interview of Mr.Prakash Patil**

**Head Master-Dyanaprabodhini Sanchalit Andh Shala(Blind School) at Mirajkar Tikti,Kolhapur City.**

-Interviewer- Mr.Adarsh Ingawale (B.A II student)

**Q. When did the school get government grant?**

Ans-Since from the year 1989 the school is getting government grant from Maharashtra state, before that the school used to run on private funds received from the donations, we got from the society and well-wishers. It is only after when we got government grant that we selected permanent teaching staff, before that all the staff was on temporary basis.

**Q. What were the difficulties that you had faced during the starting years?**

Ans-When the school was not receiving government grant, the payment of teachers and staff was not possible, so we taught free of cost and every day we struggled to find students. So we tried different ways to get students to our school, like going to grampanchayat,and doing survey. After getting grant we advertised and so many students along with their parents approached us.

**Q.Which type of special help do you get from the government?**

Ans- We purchase books,medicines,uniforms with the help of government grant that we receive.

**Q.Is there any type of training to the teachers?**

Ans- Of course, all the teachers have to complete D.Ed.In our case,as this a school for blind children they have to do D.Ed specially designed for teaching people with physical disabilities.We can proudly tell you that our teaching staff is well qualified.Besides that we would like to inform you that three of our teaching staff are blind but they are very capable teachers.Also people from various NGOs are associated with our school and contribute their help.

**Q.What other activities that you carry out besides studies?**

Ans-We celebrate all the birth and death anniversaries of our national heroes.We also organise competitions like Essay writing, general knowledge test,singing,sports for blind,cultural programmms etc.We are proud to inform you that we send our students to take part in district and state level competitions like singing , instrument playing etc.Especially I want to mention that we send students to give exams of Gandharva Mahavidyalaya of music,before that we give them extensive training.

**Q.Is there any lodging and boarding facility for the students ?**

Ans-We are having hostel facility for all the students, because if they come from home to school then they have to engage a person to drop and pick up them. Here we have a staff of 14 members which include cook, care taker, teachers, peon and they all are government servants who help them.

**Q.Any more help that you would like to get form the government?**

Ans-We have applied to the government for a suitable piece of land to build a big building where the blind students will have ample free space, modern infrastructure and facilities.

**Q.The books that the blind students use having Braille script are made by you or do you purchase them from outside sources?**

Ans-We have machinery and equipments to make basic books in Braille script. For other books we purchase them from outside sources.

**Q.What do you expect from the society?**

Ans-We only expect that,the general public should treat blind people with respect and dignity.They should know that they also have special talents which should be properly channelized.If the blind people are given education and training they can also stand on their own and contribute to the society and live a dignified life.

**A Report  
on  
Visit to Blind School**

**Objectives:**

The aim of the visit is to encourage our students to collaborate with community-based organizations and institutions to promote a just and humane society.

- To prepare students to engage in meaningful service.
- To inculcate a sense of commitment for social work.
- To provide awareness among students for their social responsibilities.
- To provide specialized services to visually challenged children so they can improve their ability to live and function in the community.

Our goal is to develop the strong and engaged relationships with members of the visually impaired community as well as with service organizations. By organizing such activities, we provide our students opportunities for hands-on learning. We introduce them for addressing the various environment-related problems and needs in the local community.

To widen the horizon of the students, the teachers of Department of English, work rigorously. In this academic year, the students visited the school of blind children called *Dyanaprabodhini SanchalitAndh Shala* as a social outreach programme on 25<sup>th</sup> January 2019 situated at Mirajkar Tikti, Kolhapur. The school is a Govt granted institute having lodging and boarding for blind children.

Students of Department of thought to share their knowledge with visually impaired children. Hence they went to the school to spend some time with them under guidance of teachers of English Department. The teachers of that school introduced blind students. They were gathered in a small hall. The blind students introduced themselves. Our students -Amey Kavthekar, Adarsh Ingawale and Manali Patil taught them rhymes and grammar of English. They entertained the students by telling them horror comedy. The blind students enjoyed English poems, stories and comedies told by our students.

The blind school teachers demonstrated the Braille script. One of them read the Braille script book. We played games with them. Omkar Buchade sung a melodious patriotic song. The blind students also sung songs. Later, our students

took small interview of the teachers in that school. This was a marvellous intraction.

By offering snacks to the blind students, we moved to see how blind people use mobile phones and Whatsapps. We gave them chart papers by which they make Braille textbooks. With host of beautiful memories we clicked group photo. All the students were very happy. We really feel that one should become more socially conscious. There is a need to show love and care about deprived groups of our society. We would like to express our deep gratitude to the Prin. Dr. S. Y. Hongekar for his generous support.

Sub: To know all about **Sign Language and Sign Language Interpreters** in the School for Deaf and Dumb

Respected Sir,

**Happy International Day of Sign Languages-23<sup>rd</sup> September 2022!**

Let's celebrate the day with the theme, "Sign Language Unite Us"  
On occasion of International Day of Sign Languages, some of the students of B.A. intend to visit your vidyalaya to raise awareness how people who are dumb and deaf use sign languages to communicate and contribute to their communities. They are curious to learn how sign language interpretation enhances the accessibility at school and at works.

So kindly consider and let them know "Sign Languages Are for **Everybody**".

Looking forward to receive your co-operation and support.  
With warm regards.

## एक अविस्मरणीय अनुभव....

श्रेया साडेकर

दिनांक ३ ऑक्टोबर ला ११:३० च्या सुमारास आम्ही सर्वजण 'सदसंरक्षण इयस्कूलला' बोट देण्यासाठी म्हणून गेलो. तिथे गेल्यानंतर तिथलं ते वातावरण पाहून अरंच खूप छान वाटलं. म्हणजे असं जाणवलंच नाही की ही मुल आमच्यापेक्षा वेगळी आहेत. त्यांनी मुळात तसं जाणवू दिलंच नाही. ती इतकी खूब आनंदी विसाचची, शिकताना कुली एकाब्रतेन शिकायची हे पाहून मी नर थक्क झाले. देवाने त्यांना एक इंद्रिय कमी दिलंच हे त्यांनाही माहिती आहे पण या गोष्टीचा त्यांनी त्यांच्या वर काहीच परिणाम पडू दिला नाही; असं त्यांच्याकडे बघिलल्यावर जाणवत हीत. त्या शक्ति प्रवेश केल्या पासून साझ लक्ष नेशील प्रत्येक वस्तू वेधून घेत होती. पायप्यांवरून जाताना त्यावर असणारे अंक, व अ अ जेणेकरून मुलांना अंक समजावणे सोपे होईल हा हेतू असावा. त्यानंतर आम्ही सात सात विद्यार्थी सिकून एका एका वर्गात गेली व ते नक्की कुसे शिकतात हे जाणून घेण्याचा प्रयत्न केला.

एका वर्गात सात शत्र विद्यार्थी होते. त्यांच्या बसण्याची व्यवस्थाही अद्यंगोल पध्दतीने केली होती. या मागील उद्देश कदाचित प्रत्येक विद्यार्थ्याकडे सारखे लक्ष देणे हा असावा. प्रत्येक गोंड अगदी विचारपूर्वकतेने सांडली होती. वर्गाशिक्षकांची शिकविण्याची पध्दतही खूप छान वाटली. ते मुलांना खूप छान प्रकारे समजावून सांगत होते. वर्गात अनेक प्रकारचे तक्ते, कागद, माँडेलस बनविलेले होते. ज्याद्वारे त्यांना ते शिकवायचे इतकेच नाही नर त्यांच्याकरिता हेडफॉन सुध्दा उपलब्ध करून दिले होते. लहान मुलांना बोलून दाखविलेले जितक्या जवळ समजत नाही तितके चित्रातून समजते. याकरिता त्यांनी मुलांना डिजिटल पध्दतीने शिक्षण दिले जात
