Subject: Special leave of absence from Schools /Colleges to students for Participation in sporting event regarding...

Sir,

I am directed to say that it has come to the Notice of this Department that there are several schools which are very insistent on fulfilment of the stipulated attendance in School even in the case of outstanding sportspersons. As a result, sports persons are not allowed special leave of absence from Schools/Colleges for participation in sporting events and coaching camps etc.

This has resulted in problems to many boys and girls who are very good at the National Level to come to the coaching camps etc, In view of the above position, it has been decided in consultation with the Dept. of Education of this Ministry that the schools/colleges should be requested that Special Leave of absence from schools/colleges should be allowed to students to students to enable them to participate in State, National and International level sporting tournaments and also for attending coaching camps in preparation of these tournaments. The facility of special examination may kindly be provided to sportspersons in case they have not been able to take up requisite examinations due to their having to participate in State/National /International level sporting competitions or coaching for this purpose.

The above instruction may kindly be brought to the notice of all concerned schools/colleges and other institutions.

Yours Faithfully,
