Annual examination report for the AY 2020-21

In the academic year 2020-21 the coronavirus i.e. COVID-19 pandemic was in its peak and during the epidemic as per the guidelines given by UGC, Ministry of HRDC, Maharashtra State Government and Shivaji University, Kolhapur, Vivekanand College has decided to conduct all UG/PG examinations through online mode. In AY 2020-21 two examination sessions (Odd/Evevn) were carried out as March-April 2021 and July-August 2021. More than 500 sessions were carried out and near about 4000 students were attempted the examination without any hassle. At the very beginning 4 Telegram groups were formed to reach each and every student. The 3 question sets of the question paper was prepared by the expert paper setters. The questions were shuffled for every student in the examination. The question papers shall be set in such a manner as to ensure that they cover the entire syllabus as per the weightage of the modules of the concerned course unit.

All examination conducted using proctor technology, during each session the appointed internal and external senior supervisor was monitoring every activity of each student using proctoring technology. The suspicious cases found during examination, the grievances of the students who faced any technical difficulty like internet connectivity, electricity etc. and the students who were unable to attend the examination because of the flood were called for the lapses committee meeting. 159 issues were resolved and the decisions were made by the lapses committee.
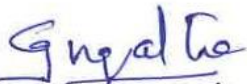

The major difficulty faced during exam session July-August 2021 is the flood situation occurred in major part of Kolhapur region as a result some papers were postponed and there were some delayed for the examination.

Again, the ERP was upgraded by the management and we were supposed to migrate the data from existing ERP to the new ERP. This was a challenging task for all the examination team to migrate the data without any single mistake. The team worked 24/7 for a month and without any mistake overall 1000+ cases were resolved and the results were declared within the given stipulated time limit.

The examination cell has worked tirelessly and promptly declared the results of last year's students within an average of 25.64 days from the last date of examination. Furthermore, during this academic year, a total of 10 students raised grievances related to paper re-evaluation out of the total number of appeared students. We have successfully resolved all the grievances in accordance with the regulations of the examination cell. The pass percentage of final year students, excluding those with backlogs, during this academic year stands at 95.17%.

Total 40+ results were declared within 8 days by the team members. The average number of days were 24.07. The number of students appeared were 1429. The number of students passed were 1360. The number of students failed were 69. The passing percentage was 95.17%. Both the sessions were completed successfully and the very first UG batch results were sent to the University for Convocation process within time limit given by the Shivaji University, Kolhapur. The Degree were awarded for all the final year completed students by mentioning Vivekanand College, Kolhapur (Autonomous) on their degree certificates.

## Annual examination report for the AY 2019-20

During academic year 2019-20 the first term examinations were conducted in offline mode. But in the second term due to the Covid-19 pandemic and subsequent lockdown in the month of April 2020 as per the guidelines given by UGC, Maharashtra State Government and Shivaji University, Kolhapur, Vivekanand College has decided to conduct UG/PG examinations of the Final Year Students through Online Mode. The main recommendations in the guidelines issued by UGC is for the final Semester Students will be graded based on internal assessment of the present and previous semester.

Vivekanand College adopted alternative and simplified modes and methods of examinations to complete the evaluation and gradation process in shorter period of time by reducing the time from 2 hours to 1 hour observing the guidelines of "social distancing" and keeping in view the support system available and ensuring fair opportunity to all students.

Another major difficulty faced during academic year 2019-20 is the flood situation occurred in major part of Kolhapur region. Because of the both Covid-19 and Flood there were delayed for the evaluation process and further result processing.

The examination cell has worked tirelessly and promptly declared the results of last year's PG students and second year UG students within an average of 19.07 days from the last date of examination. Furthermore, during this academic year, a total of 07 students raised grievances related to paper re-evaluation out of the total number of appeared students. We have successfully resolved all the grievances in accordance with the regulations of the examination cell. The pass percentage of PG final year students under autonomous college, excluding those with backlogs, during this academic year stands at 96.05%.

Both the sessions were completed successfully and the results were submitted to the University for Convocation process within time limit given by the Shivaji University, Kolhapur.

Annual examination report for the AY 2018-19

After the Vivekanand College became autonomous, the very first examination of the autonomous college was conducted in two sessions. In the two sessions of October-November 2018 and June-July 2019, all the examinations of Sem 1 and Sem 2 of the first year were properly planned and executed successfully. Paper setting, appointment of internal invigilator, external invigilator, appointment of all supervisors, CAP, evaluation process etc. were completed in time. As it was the very first autonomous exam, some difficulties were faced. The integrated examination planning program like second, third year university examination and first year autonomous examination was difficult but it was implemented with meticulous micro planning.

The examination was planned with three phases. In first phase i.e. the pre-exam processes the Notices casted on website and pasted on College Notice board as well. The 3 question sets of the question paper was prepared by the expert paper setters. One random question paper set was selected for the examination in the second phase the examination was conducted and in the third phase the assessment and moderation i.e. the CAP process was completed.

For both the sessions the Hall ticket, Summery Reports, Attendance sheets, Mark Sheets and all other reports were automatically generated from ERP Software.

The examination cell has worked tirelessly and promptly declared the results of first year's students within an average of 19.5 days from the last date of examination. Furthermore, during this academic year, a total of 08 students raised grievances related to paper revaluation out of the total number of appeared students. We have successfully resolved all the grievances in accordance with the regulations of the examination cell.
