- **[Code of Ethics \(View in Policy\)](#)**

The college shall undertake the same Ethical values as our parent university/affiliated university i.e. Shivaji University, Kolhapur as below:

Academic and research work in view of constitutional Rights

It shall be a prime responsibility of the academic community of college to adhere to the following norms in view of constitutional rights while undertaking research work. It shall reflect both the letter and spirit of the constitutional provisions. The right to:

- Equality and non-discrimination
- Human dignity
- Life
- Freedom and security of the person
- Privacy
- Freedom of religion, belief and opinion
- Freedom of expression
- Access to information
- Just administrative action

The research policy expresses the ethical values of all those engaged in academic and/or research activities of the college.

- Uphold the values of freedom, democracy, equality, human dignity and respect for diversity and rights of all stakeholders.
- Strive for distinguished merit and excellence in teaching, reputable research and innovation through leading, challenging, creating and exploring knowledge.
- Put intellectual capital to work by offering access to a wide spectrum of vocational and academic programmes.
- Accomplish the above through individuality, collective effort and partnerships
- Promote human well-being.
- Promote ethical values and fulfil all academic/research activities according to such values.
- Uphold and promote individual, group and institutional integrity in the process of fulfilling our roles as Teachers, Researchers, Staff Members.
- Engender trust in undertaking research and the practice of science.
- Facilitate appropriate ethical decision making.

- X-Plagiarism Software:

1. College has purchased Plagiarism software to conduct code of ethics i.e. X-Plagiarism.
2. Each and every document has been checked via Plagiarism (**X-Plagiarism**) software and after generated/ analysed check documents proceeds for final submission.
3. College is committed to health, safety and environmental protection in all its various programs and activities. This commitment is congruent with - and important for achieving - overall mission of advancing, disseminating, and preserving knowledge, and striving to educate leaders in the service of society. All members of the college community (including students, faculty and staff) share responsibility for safety, and shall comply with established governmental environmental health and safety policies norms and procedures.
4. Wherever animal experimentation is involved or maintaining laboratory animals is needed, permission of Committee for the purpose of Control and Supervision on Experiments on Animals (CPCSEA) to be followed.
5. Anti-Plagiarism: Since the University Grants Commission, New Delhi has published promotion of academic integrity and prevention of plagiarism in higher educational institutions regulations 2018. In view of the same college has framed the regulations for prevention of plagiarism. The research work shall be verified through the X plagiarism software tool available in the college. It is the responsibility of all research students, research guides and the faculty and staff of the college to read and understand the regulations on plagiarism.
