3.	Plagiarism Check through Software

- **X-Plagiarism Software: (View document in Policy)**

1. College has purchased Plagiarism software to conduct code of ethics i.e. X-Plagiarism.

2. Each and every document has been checked via Plagiarism **(X-Plagiarism)** software and after generated/ analysed check documents proceeds for final submission.

3. College is committed to health, safety and environmental protection in all its various programs and activities. This commitment is congruent with - and important for achieving - overall mission of advancing, disseminating, and preserving knowledge, and striving to educate leaders in the service of society. All members of the college community (including students, faculty and staff) share responsibility for safety, and shall comply with established governmental environmental health and safety policies norms and procedures.

4. Wherever animal experimentation is involved or maintaining laboratory animals is needed, permission of Committee for the purpose of Control and Supervision on Experiments on Animals (CPCSEA)to be followed.

5. Anti-Plagiarism**:** Since the University Grants Commission, New Delhi has published promotion of academic integrity and prevention of plagiarism in higher educational institutions regulations 2018. In view of the same college has framed the regulations for prevention of plagiarism. The research work shall be verified through the X plagiarism software tool available in the college. It is the responsibility of all research students, research guides and the faculty and staff of the college to read and understand the regulations on plagiarism.
