Dear Sir

Greetings of the day from Naandi's Mahindra Pride Classroom!!!

Since 2016, Mahindra Pride Classroom (MPC) has been rendering yeoman service to final year students of Engineering Polytechnics, ITI, Hospitality, and other sectors across 18 states in the country. We try to enhance their employability prospects manifold via a 40 to 120 hour carefully designed module. Since its inception in 2016, MPCs have empowered over 7,28,808 youth with the skills needed to get a job – and we have also been placing a significant number of them through our many JOB UTSAV's with reputed employers. The complete costs of the training and placements are underwritten by the Mahindra group as part of their CSR contribution.

Through Mahindra Pride Classrooms, strives to forge new tie-ups with Universities, Colleges and Government and believe that this opportunity would help scale impact to a large number of beneficiaries. The major objective of campus training and placement is to identify talented and qualified professionals before they complete their education. It provides employment opportunities to the students who are pursuing or in the final stage of completing the course. Mahindra Pride Classroom has deemed itself responsible to give final year students the final finesse by training them on all aspects of career development along with creating a very good impact on them as a human being and help them in getting placed in their dream companies.

We would like to conduct "Job Utsav" for these Mahindra Pride Classroom beneficiaries including your students, on the 5th September, 2023 which involves about 15 reputed corporates and about 1,000 Girls Students from nearby Colleges of Kolhapur, Sangli, Satara. We found your premises suitable for our requirement. We would also need access to the venue for the previous day for arrangements. It would be great if you can allow your students to volunteer for the Job Utsav, there would not be any monetary exchange for the venue provided.

Support from Institute:

- 1) 1 Auditorium or hall where the students can gather
- 2) 15 to 20 classrooms equipped with tables & chairs
- 3) 5 Teaching staff and 10 boys and 25 girls (FY or SY) as volunteers for Job Utsav on the event date
- 4) 1 Staff as Single Point of Contact
- 5) Xerox machine...in case of any emergency printing.
- 6) Staff Room - For employers refreshments
- 7) Contacts of vendors if possible - Food and other miscellaneous
