Laveena Rakesh Gurbani
Vivekanand College Kolhapur
BCS - III (Entire)

My name is Laveena Rakesh Gurbani. Recently I have successfully completed my 20 days Training Programme for AI with python course at FUEL campus, PUNE.

Firstly, I would like to thank Sanjay Latthe Sir, our principal sir and Pallavi Desai Mam for supporting us throughout this training. I would like to thank our trainers, Shiv sir and Mahesh sir for teaching us in the best way. They were very calm, energetic and very patient, throughout the sessions. In this training we got to know about a lot of things such as, learning python, about AI and also we learned some algorithms of machine learning. Besides this, deep learning and aptitude training were taken to enhance our skills. The aptitude sessions were very interesting. We also got free linkedin access for completing and learning various courses which are very helpful.

Thankyou FUEL and also Vivekanand College for providing this wonderful opportunity for us. It was really a great and amazing experience.

My name is Shifa Ashapak Pathan. I have successfully completed this 20 days 'AI with Python' training from '27 jan to 16 feb' in fuel.

Firstly I would like to thank Mr. Ketan Deshpande sir for conducting such a outstanding training session. Also I would like to thank our trainers who were very calm, energetic and eager to solve our doubts. In this training session we got to know about Artificial Intelligence, Machine learning, Deep learning, Soft skills and aptitude training and public speaking confidence. The most exciting part was of group discussion.

Furthermore I would like to thank Fuel foundation and Vivekanand college, Kolhapur for providing us this opportunity to upgrade our skills. It was great learning experience.

My name is Shveta Todakar. from Vivekanand college Kolhapur. I have successfully completed this 20 days from 27 January to 16 February the AI with Python course in FUEL Institute. Here I got opportunity to learn Python and AI.

This is my best experience in educational life. I am deeply thankful to Mr. Ketan Deshpande Sir, CEO of fuel for giving me this training opportunity and conducting such a outstanding training session. He was very knowledgeable, energetic and eager to solve your doubts. FUEL provided me Free LinkedIn Learning access by which I have completed many courses and FUEL also provide us Aptitude training, Soft skill training and amcat test.

The AI with Python course was well organized, clear and easy to follow and the trainer was very knowledgeable with excellent presentation skills. The trainer did a great job in covering the course material. Furthermore I would like to thank FUEL and Vivekanand college Kolhapur for providing us this opportunity and upgrade our skills. It was a great learning experience.

Sub.: Letter of Appreciation for "Future Skills Training Program" &
"Aptitude Training" Conducted by FUEL (Friends Union
for Energising Lives)

Dear FUEL

We wish to place on records our deep and heart-felt appreciation for your efforts to bring a value-added Future Skill Training for our students.

The Future Skill training also helped students came from low-income families and from rural background to build a better career path and achieve a successful career in near future.

We look forward to continued association with your esteemed organization in future as well. We sincerely appreciate the efforts of team FUEL in enhancing the value and capabilities of the student community at large and building confidence in them that they can take every opportunity to develop a strong and growing career through Future Skills Training & Aptitude Training. Our placements and employability of college has increased due to this initiative.

With kind regards and thanks,

Yours Sincerely,

R.R.K.
