Brochure of the Training Program

Digital Creativity Skills

Adobe, in partnership with AICTE Training and Learning Academy, introduces a Professional Development program for faculty and educators of all AICTE-approved Higher Education Institutions. This program is aimed to enhance Digital Creativity Skills to use Adobe Express as a part of the curriculum to better equip students with employability skills for future jobs.

[Adobe Express](#) for Higher Education enables students and faculties to easily create impactful visual stories such as infographics, web pages, videos, social media posts, and reports, igniting their creativity and learning. When you foster creativity and digital storytelling into the curriculum, students learn how to think critically, solve problems creatively, and express ideas in compelling ways. These skills empower students to succeed both in Higher Education Institutions and in their Careers.

Program Benefits

-  Easy-to-create engaging teaching resources and digital content, with free education templates and gain the confidence to introduce innovative activities and assessment techniques for students that leverage best-in-class digital tools for creativity.
-  Drive student engagement: By integrating digital skills across disciplines and throughout your curricula, faculty can help their students master their subject matter, stay immersed in their academic material, and improve their learning outcomes.
-  All-in-one storytelling platform: Stand out by creating stunning research papers, writing assignments, graphics, flyers, photos, videos, narrated stories, presentations, reports, and so much more.
-  Classroom collaboration: Students can invite others to work with them on projects and easily tag-team to make edits.
