Tariq, All India Placement Officer (GTT), Mr. Sony D'Souza, GTT, Mr. Ajay Maske, Founder & CEO, Wisdom Foundation, Kolhapur, Mr. Viren Bhirdi, I/C Principal, BSIET, Dr. Sanjay Latthe, TPO, Vivekanand College, Kolhapur were present during the orientation program.

The first lecture was delivered by Mr. S. M. Tariq on "Training for Graduate Students through GTT". He said that GTT is carrying a free training program through CSR fund. Training includes technical and non-technical. The training completed during the graduation period can be beneficial for the students. Next lecture was delivered by Mrs. Pallavi Patgaonkar on "Career in Corporate Sector". In her lecture, she pin pointed on corporate jobs which are positions within a corporate organization. This typically means an employee position within a larger company, organization or corporation, which can sometimes be composed of several branches in different regions or global locations. Corporate jobs are often set up in a hierarchy or defined structure, meaning there's usually an opportunity for career advancement within the company. The corporate hierarchy includes different seniority levels of employees, each working together to achieve the company's business goals. Mr. Kaustubh Gavade in his presidential speech underlined the importance of training for the students and hence the eventual job opportunities in corporate sector. The program was successful due to the efforts of Principal Dr. R. R. Kumbhar, Dr. Shruti Joshi (IQAC Coordinator), Dr. Sanjay Latthe (TPO) and the members of training and placement cell. Vote of thanks was delivered by Mrs. Pallavi Desai.

Outcome of the Program: An orientation program was found beneficial for the students, as it gave an information about free training programs through CSR funds and proper career in the corporate sector.
