General opinion regarding training program: -

Honestly, Naandi Foundation program helped me a lot. Before this, I was not very confident about speaking or facing interviews. The sessions helped me improve my communication, body language & overall confidence. As a girl, it made me feel more independent and prepared for professional world. Overall, it gave me clarity about future.

Suggestions regarding future Training Program: -

The program is very helpful. For the future, adding more real-time mock interviews and short one-on-one feedback sessions would make it even stronger.
