Subject: Acknowledgment of Consultancy Services Provided by Vivekanand College, Kolhapur

Dear Sir,

I am writing on behalf of TruCode technologies to express our appreciation for the consultancy services provided by your faculties. The expertise of your departments has greatly benefited our company, and we are pleased to confirm that we have successfully received the services we commissioned.

The consultancy work provided by the Electronics, B.C.S., BCA, and Computer Science Department has been instrumental in improving our business operations. The real-time interface communication card for the check weight unit and industrial inkjet printer has streamlined our production processes, enabling us to achieve greater efficiency and accuracy in our operations.

Additionally, the Inventory Control and Payroll System developed by the B.C.S. Department has greatly improved our internal processes, helping us to manage our resources and finances more effectively. The website design created by the BCA Department has enhanced our online presence and user experience, contributing to our brand's visibility and growth.

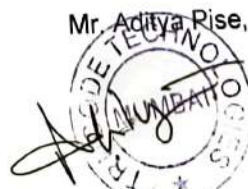

The inward-outward register designed by the Computer Science Department has optimized our record-keeping and data management, further supporting our operational effectiveness. Your college's contributions have positively impacted our business, and we want to express our gratitude for the quality of work delivered. The consultancy fee of Rs. 5 lakhs reflect the value we place on your services, and we are fully satisfied with the outcomes.

We believe this collaboration has been mutually beneficial. It has provided your students and faculty with real-world experience and practical applications of their skills, while we have gained innovative solutions that align with our business objectives.

Thank you once again for your excellent work. We look forward to exploring future opportunities for collaboration with Vivekanand College.

Sincerely,

Mr. Aditya Rise,

Respected Sir,

We are writing to express our appreciation for the exceptional corporate training provided by your esteemed college to our team at Mantra Geosolution. The training sessions conducted by **Dr. Shubhangi Kale, Dr. G. S. Ubale, Dr. Sunil Bhosale** and **Dr. Dhiraj Patil** on the software tools such as **ERDAS, ArcGIS, Arc Pro, QGIS, and Python Computer language** were highly beneficial to our team.

The knowledge and expertise shared during the training sessions have greatly enhanced our team's technical capabilities. We now have a deeper understanding of these software tools, which has improved our efficiency and productivity in our ongoing projects. As a result, we are confident that our future projects will be executed more effectively and with higher precision.

The investment of **Rs. 1.5 lakhs** for the corporate training were undoubtedly worth the experience and knowledge imparted by your team. We are extremely satisfied with the training received and believe it will contribute significantly to our company's growth and success.

This collaboration has not only benefited our company but has also fostered a positive relationship between **Mantra GeoSolutions** and **Vivekanand College**. We hope to continue this partnership in the future and explore other opportunities for collaboration in areas of mutual interest.

Please extend our thanks to Professors of department of Geography for their dedication and excellent delivery during the sessions. We look forward to working together again and further strengthening our professional relationship.

Thank you once again for the outstanding training and support.

Thanks & Regards

Dr. Nilesh Kamalakar Susware

Subject: Appreciation of Consultancy Services Provided by the Computer Science Department

Dear Sir,

I hope this letter finds you well. On behalf of Dream Computers, Kolhapur I am writing to express our sincere appreciation for the consultancy services provided by the Computer Science department of Vivekanand College. The work conducted by Dr. R. Y. Patil and the team has exceeded our expectations and has significantly benefited our company.

The team has successfully developed three modules on our online portal, including:

- Lapses Cases Management
- Lab Attendance Management System
- Online Paper Setting Portal

These modules have streamlined our operations and enhanced our efficiency in managing various aspects of our business. We are impressed with the expertise, professionalism, and dedication demonstrated from your entire team.

The charges of Rs. 1.48 lakhs for the consultancy work are a testament to the high quality of the services provided and is well worth the investment. Our collaboration has been mutually beneficial, as we have gained valuable insights and tools for improving our processes, while Vivekanand College has been able to generate revenue and strengthen ties with industry.

We hope to continue our collaboration with Vivekanand College in the future and explore further opportunities for mutually beneficial partnerships. Please convey our thanks and appreciation to Computer Science department for their outstanding work.

Thank you once again for your college's contribution to our success. We look forward to a continued and fruitful relationship.

Sincerely,

Subject: Acknowledgment of Successful Consultancy Services

Dear Principal Sir,

I am writing to express our sincere gratitude and appreciation for the consultancy services provided by the BCS & BBA Department of Vivekanand College in developing our Blood Bank Management System. The collaboration has proven to be highly beneficial for both our company and the college.

Your team has demonstrated exceptional expertise and dedication in creating a system that effectively meets our needs. The Blood Bank Management System you developed for us has significantly improved our operations by streamlining processes, enhancing data management, and ensuring the efficient delivery of services. The impact of your work on our operations cannot be overstated.

From our perspective, the collaboration has been highly successful, and we are pleased to acknowledge the outstanding contribution of your team. The consultancy services provided were worth the agreed-upon amount of Rs. 65,000/-, and we are more than satisfied with the results.

In conclusion, we would like to thank you and your team for the excellent services provided. We hope to continue this fruitful collaboration in the future and are open to exploring further opportunities for partnership.

Once again, thank you for your support and for being a reliable partner in this project. Please feel free to reach out if you have any questions or if we can be of further assistance.

Warm regards,

Subject: Appreciation for Corporate Training Program on Python Programming

Dear Sir,

We are grateful for the outstanding corporate training program on Python Programming conducted by the faculties from Vivekanand College, Kolhapur from March 13 to March 18, 2023. The training provided was an immense benefit to the faculties of the BCS and BBA departments in our organization.

The comprehensive and well-structured training program not only enhanced our team's understanding of Python programming but also equipped them with the skills needed to integrate new programming concepts into our existing projects. The knowledge and practical experience gained during the training have already started to make a significant impact on our productivity and efficiency.

We are highly satisfied with the training received, and the investment of Rs. 20,000/- was well worth the quality of the program. We believe that this collaboration between our company and Vivekanand College has been mutually beneficial. Our team has gained valuable knowledge, and Vivekanand College has demonstrated its commitment to sharing expertise with the industry, strengthening ties between academia and the corporate world.

We look forward to future opportunities for collaboration and further enhancing the skills of our teams through Vivekanand College's excellent training programs.

Thank you once again for your support and commitment to excellence.

Warm regards,
