9. Dr. P.V. Anbhule - Dept. of Chemistry - University Nominees

The proceedings of the meeting are as follows:

#### Item no.1 Confirmation of the minutes of the previous meeting.

Minutes of the last meeting of the Academic council held on 30.06.2023 were read out by Prin. Dr. R. R. Kumbhar along with the action taken report. The minutes were confirmed by the members of the council.

#### Item no.2 To finalize the structure of curriculum designed according to the NEP 2020 guidelines to be implemented from the academic year 2023-24.

The nodal officer for NEP 2020 implementation, Dr. C.B. Patil presented the curriculum structure designed according to the guidelines of NEP -2020. Exemplary structures of Electronics and Physics department were presented. The previous course codes of all courses were changed according to the new nomenclature. Dr. Patil also presented the exam pattern with 40:10 structure of theory and

practical/internal evaluation. In every course, the passing will be separate in semester end (theory) exam and CIE.

Mr. S. S. Kale, the Dean of Commerce and Management, presented the slight changes made in the curriculum structure of commerce courses.

**Item no. 3 To discuss about carrying forward FY PG year -down students.**

The issue of the first year PG students failed in all subjects was discussed in the meeting. After discussion it was resolved that these year-down students will be carried forward to the second year of PG and their papers will be cleared simultaneously as they attend the Second year classes. The same was resolved in case of FY UG students who will be given admission to the second year (though failed in all subjects). All the members of the council agreed that FY UG and FY PG year-down students will be carried forward.

**Item no.4 Any other matter with the permission of the Chair.**

**1. To discuss about the failure foreign students.**

Some of the foreign students failed even in make-up exams. The Board of Examination had decided to ask them to submit assignments instead of theory exams as their scholarships may get cancelled if failed in all subjects. This issue was discussed in the meeting and the decision of BoE was accepted.

Dr. A. A. Karande suggested the college level entrance exams be conducted for the foreign students.

Dr. Deshmukh stressed that it is important to increase the number of foreign students on our campus. For that, we can offer skills-based courses to them and consider them liberally and promote them if necessary.

**2. To discuss the equivalence of M.Sc. (Statistics) and M.Sc. (Applied Statistics).**

The college offers programme in M.Sc. (Statistics). Dr. R. R. Kumbhar stated that for the post of Assistant Professor in Statistics during appointment procedures, the equivalence between M.Sc. Stats and Applied Stats should be considered. The members of the council agreed to this.

**3. To discuss about PG structure of NEP.**

It was resolved that right now, the Shivaji University guidelines for Autonomous Colleges regarding the NEP 2020 structure for PG courses will be followed as it is. It

was agreed that M.Com., M.Sc. and M.A. curriculum structure will be borrowed from SUK and the syllabi of these programmes may contain some variety.

As there was no other matter to discuss, the meeting was concluded with a vote of thanks with the permission of the Chair.
