Activity report

Submission date 14/08/24	Submitted by Dr- Sampada Tipkurle
Activity Type	Guest Lecture
Activity Title	Financial planning for Women
	<p>Over time, women's roles in society have changed intensely, and they are now frequently the main providers for their families. But when it comes to financial planning, women normally fall behind males, even while their financial obligations are increasing. Women who use financial planning are more equipped to make decisions that are consistent with their priorities and values but Women may be reluctant to seek expert guidance because they lack confidence in their financial understanding. Women are commonly responsible for providing care for elderly parents and children, which raises costs and depletes savings. For women to attain financial independence, security, and stability, financial planning is crucial hence Women empowerment cell (Sachetana Mandal), Sansthamata Sushiladevi Salunkhe Women study center and IQAC organised a guest lecture on Financial planning for women Mrs. Monica Baldawa (C. A. Jaysingpur) has Guided about the importance of financial planning and various ways of investment. Total 83 ladies staff and Girl students were present for the session Dr. Sampada Tipkurle welcomed and introduced the program. Dr. Shruti Joshi, Coordinator IQAC Addressed presidential speech. Dr kavita Tiwade proposed Vote Of Thanks.</p>
Desired outcomes	Women can improve their financial planning and can stable financially.
